

I would like to thank all of the parents, teachers, parish groups, parish staff, priests and sisters who helped to make our third Family Faith and Fun Day such a great success. A special word of gratitude to Diane Salerno, Charlene Fromm and Wendy Horton. Their teamwork and imagination made this event really special for the children of our parish. I was especially struck by the extent to which this family day brings together different generations for sharing and recreation. We also need to thank God for giving us a day without the rain that literally surrounded us in our neighboring communities.

May God bless us as we seek to draw more closely together as a large Parish Family of families in order to enjoy each others' company and grow in faith together.

- Msgr. Michael D. McGraw
