

SJA FIRST COMMUNION

One hundred forty two children from St. Joan of Arc School and Religious Education received their First Holy Communion on Saturday, May 13th. We are very grateful to all the Teachers and Catechists who prepared them to receive this most precious sacrament and to all who helped make this celebration so special. Congratulations to all the First Communicants and their families! May this be the first of many communions in the future as their faith develops within strong Catholic families.
