As of November 16th, 2018, St. Joan of Arc Catholic School is proud to be one of 6 Florida Catholic Conference STREAM schools (out of over 200 Catholic Schools in Florida)!

This process was quite challenging as the school had to meet and prove rigorous teaching standards and techniques involving: authentic real world application of technology, cross-curricular lessons, station rotations, student choice (i.e. choice boards), project-based learning, essential questions requiring critical thinking, and differentiated learning driven by data.
