Why Volunteer?

- Grow in our relationship with God: For Christians, volunteer work is not merely an expression of good will. It is based on a personal experience of Christ.
- Challenges us to love others: The experience of God's generous love challenges us and liberates us to adopt the same attitude towards our brothers and sisters.
- Gives us a sense of purpose and meaning: Christ's grace helps us to discover within ourselves a human desire for solidarity and a fundamental vocation to love.
- Help with Parenting: You become a vital and primary educator for your children while at the same time receiving help from others to do so.
- Financial Aid: Religious education offers tuition discounts to parents who volunteer.
