

End-of-Year Appeal: A Christmas Gift of Care and Hospitality

As we enter the holy season of Christmas and approach the close of the year, we invite our parish family to consider a meaningful gift that will bless our parish for years to come—the restoration of the Kilby House (Old Rectory).

We are deeply grateful to all who generously supported our Giving Tuesday appeal. While we have not yet reached our goal, all end-of-year contributions will continue to support the Kilby House Restoration, an essential project that provides a safe and welcoming home for our visiting priests and currently for **Fr. Peter and Sister Cecilia**, whose loving ministry is a true blessing to our parish.

The Kilby House, built in the same era as our convent, is a treasured part of our parish history. Today, it requires critical repairs and updates, including roofing, windows, kitchen and bathroom renovations, and electrical, plumbing, and safety improvements, to meet current standards and continue serving those who serve us.

This Christmas, your gift is more than a donation, it is an act of hospitality, stewardship, and gratitude. By helping restore the Kilby House, you are caring for the clergy and religious who dedicate their lives to our spiritual home.

As you prayerfully consider your end-of-year, tax-deductible giving, please know that every gift, large or small, makes a difference. Together, we can preserve this historic home and strengthen our parish mission for generations to come.

May God bless you abundantly for your generosity, and may this Christmas season fill your hearts with peace and joy.
